Dear Doctor Green:

The reply card which you returned to us indicating that you will attend the CPR Instructor's Training Course has been received. A place has been reserved for you on January 23-24, 1970, at the University of Utah Skaggs Hall.

Participants are asked to make their own reservations at a hotel or motel of their choice; however, a block of rooms has been reserved at the Hotel Utah Motor Lodge if you care to make reservations there; these rooms will be held until January 12, 1970. Room reservations should be made on the enclosed registration card and the card should be returned to the motel as soon as possible. For those who will need transportation from the motel to the University, transportation will be provided. Please be in the Hotel Motor Lodge lobby at 7:30 A.M. on Friday and Saturday if you do need transportation.
